All persons, entities or organizations wishing to establish a Medical Marijuana Dispensary Center or Medical Marijuana Manufacturing Center within the County must apply for and be granted a conditional use permit for said use and have a license from the State of North Dakota for a Medical Marijuana Dispensary Center or Medical Marijuana Manufacturing Center.

1. The use, cultivation, manufacturing, production, distribution, possession, and

transportation of marijuana remains illegal under federal law, and marijuana remains classified as a “controlled substance” by both North Dakota and federal law;
